He has also requested the Govt., to issue an academic calendar & action plan for issue of Notification to submit the proposals in respect of Change of address, Change of name and Enhancement of seats from the Nursing Institutions within a prescribed time limit to complete the process before the commencement of Admission Notification of respective courses for the current Academic year and in order to streamline the process and avoid duplication of inspections.

3. After careful examination of the matter and in order to prevent duplication of Inspections and to contribute more reliable, well-grounded valid report, the Government, hereby constitute a core committee with the four officials for implementation of robust mechanism for examination of seat enhancement requests under the Supervision of the President (Ex-Officio-DME, AP), APNMC, Vijayawada and also issue an Academic Calendar & Action Plan:-
